**Disabled Persons Badge Scheme
Application Form for Institutions**

The Blue Badge Disabled Parking Scheme is available to help people with a permanent and substantial disability, which causes inability to walk, or very considerable difficulty walking, resulting in the persons being physically incapable of visiting shops etc, unless allowed to park close to their destination.

The Blue badge must not be on display except when the vehicle is being used for transporting a disabled passenger. **Please do not leave on permanent display.**

There is a limit on the number of Blue Badges an organisation may hold. You may be requested to supply further information to enable the Supported Needs and Disability Office to assess your application or to investigate the use of a specific badge.
